ABOUT US

At Offiga, we are pioneering employee engagement and gift rewards automation. We have catered to some of India's biggest brands including Bain & Co., Philips, Gartner, EXL and S&P Global.

We make it easy to set up and scale your gifting initiatives for employees and clients with first-in-class offerings such as gift automation for employees and sales incentives alongside end-to-end warehousing and logistics services. We are growing rapidly due to our high-quality products and excellent customer service!

Write to us at sales@offiga.com to find out how can set up an automated employee gifting solution and get time back in you day!

OUR SERVICES

Upgrade your Gifting Game

Forget dry fruit boxes, add a unique touch to festive occasions with gifts they actually want and will use. Choose from 100+ brands and 5000+ products.

Give the Gift of Choice

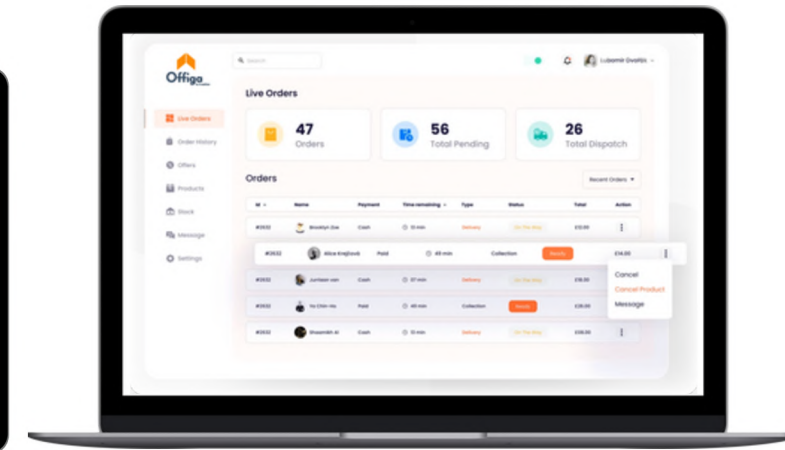

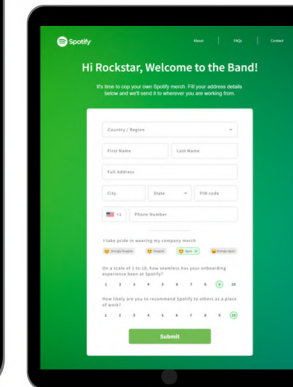

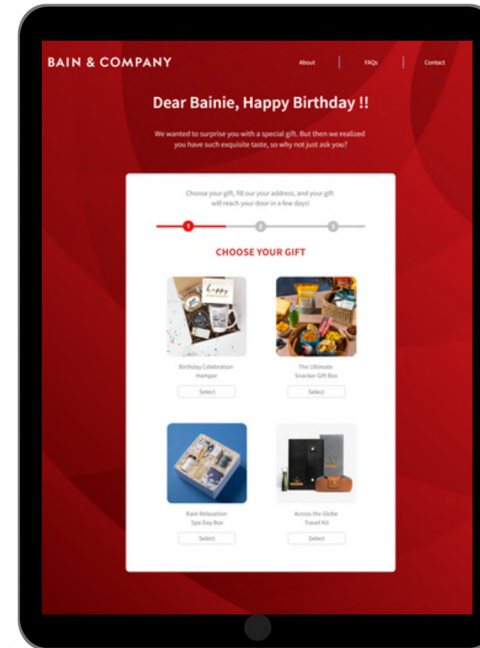

Send the perfect gift every time - Recipients can accept their selected gift or choose an alternative from a curated collection of great products.

Gifting Automation

Enjoy a worry-free gifting experience. We take care of everything - from designing to address collection to storage & logistics.

Offiga CRM for All Your Needs

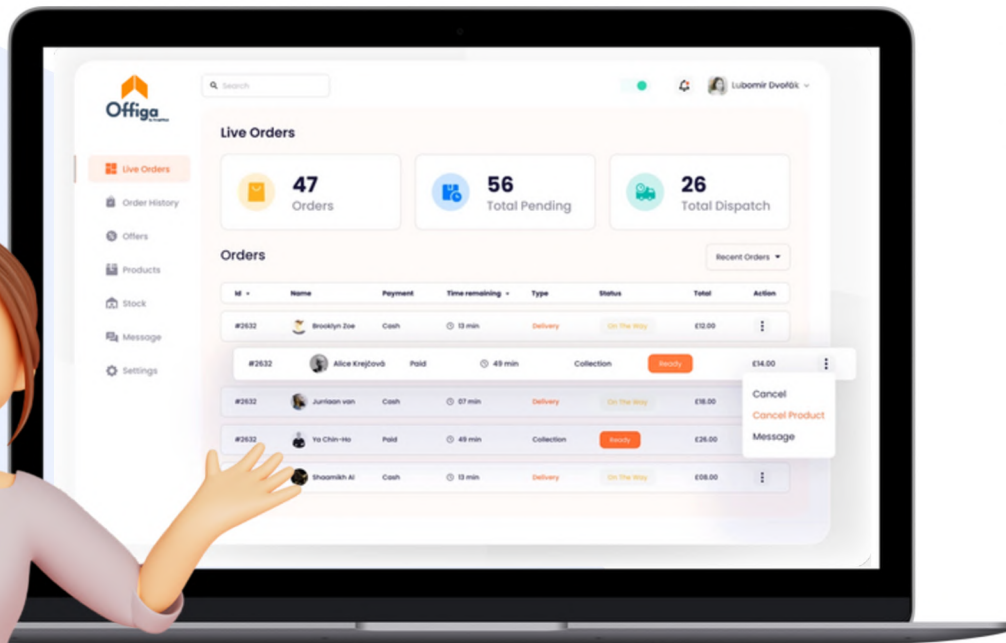

One centralized platform to streamline all your swag needs - our CRM manages everything for you from designs, orders, shipment, tracking, and reordering.

Give your employees the gift of choice with branded redemption pages & automated address collection forms

Simplify gifting with a unique CRM that tracks all your gifting programs and tell you the ROI of your

TRACK YOUR GIFTS

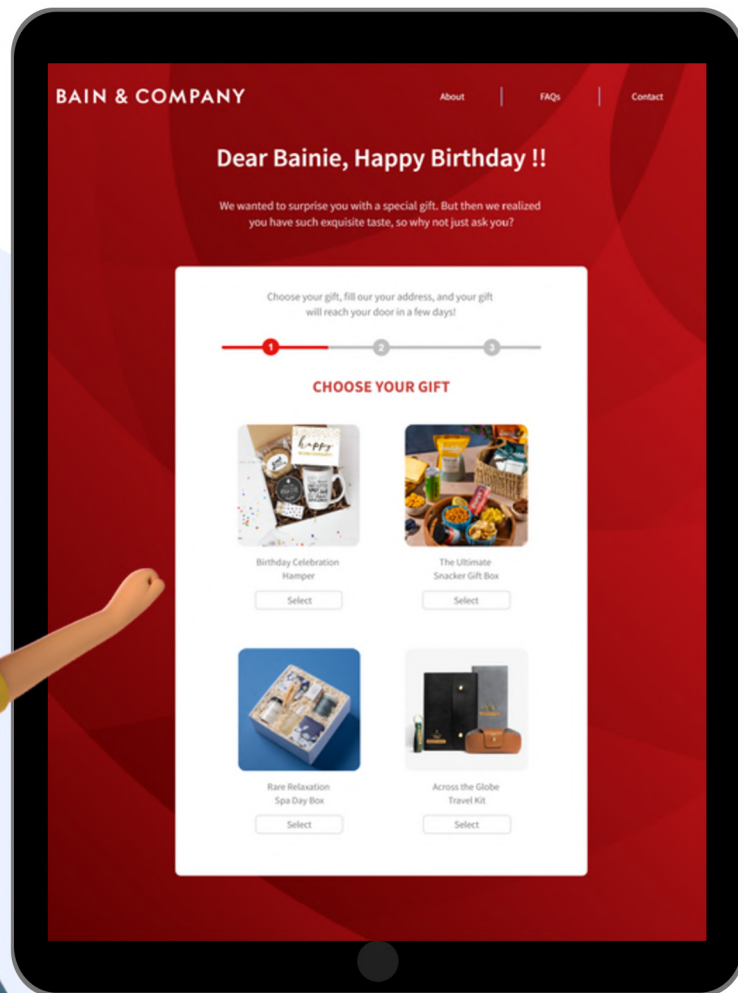

Our user-friendly dashboard tracks gifting progress, shipping updates and key ROI metrics.

- Manage campaigns in real-time & upload addresses and ship gifts at the click of a button
- Real-time tracking and inventory updates
- Measurable KPIs you can share with senior management
- Easily run recurring campaigns such as employee onboarding, birthdays and work anniversaries

BRANDED REDEEM PAGES

Give your employees the gift of choice with a custom branded redemption page for personalized gifting. This solution is custom built for festive occasions, employee onboarding and company events.

- Leverage the power of personalized gifting to boost employee engagement and retention.
- Take customisation to the next level with your own logo and branded background.
- Forget about gift cards - employees don't have to know how much you spend on gifting.
- Automate address collection & detail confirmation
- Secure login via email authentication.
- Ask questions and get insights into employee preferences.

AUTOMATED ADDRESS COLLECTION

The image shows a tablet displaying a Spotify-branded address collection form. The form is set against a green background with the Spotify logo at the top left. The text on the screen reads: "Hi Rockstar, Welcome to the Band!" followed by "It's time to cop your own Spotify merch. Fill your address details below and we'll send it to wherever you are working from." The form includes fields for "Country / Region", "First Name", "Last Name", "Full Address", "City", "State", "PIN code", and "Phone Number". Below the form, there are two survey questions: "I take pride in wearing my company merch" with a Likert scale from "Strongly Disagree" to "Strongly Agree", and "On a scale of 1 to 10, how seamless has your onboarding experience been at Spotify?" with a scale from 1 to 10. A "Submit" button is at the bottom of the form.

Find your recipients wherever they are with Offiga's address collection feature. Simplify the employee gifting process.

- No more circulating Google forms - deliver a great branded experience with your own logo and branded background
- Let your recipients choose their own delivery address.
- Ask questions and make data-driven decisions that elevate the impact of your gifting/onboarding campaigns.
- Secure login via email authentication
- Especially useful for remote gifting or distributed geographies.

RECIPIENT TRACKING

Enjoy industry-first real-time tracking of your order! Once your order is dispatched, you receive the tracking links
